out of the teeming, crowded corridor
thick
with thousands with
me, yet not me,
rushing, running, ambling,
skipping, lagging
the mass that is myself
separates, interweaves
a thin thread here
a thick clot there
now a part of this milling band
now an un-member of a disjointed conglomerate.
people
me, yet not me.

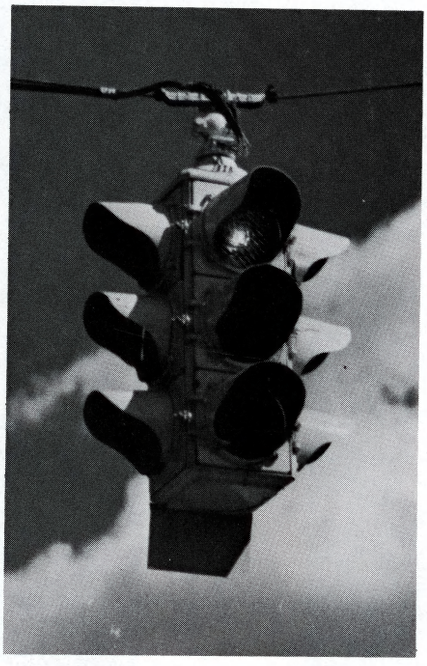

i am not afraid. (tho
they shove and push around me
till my brain must strain to remember
that there is order
even to chaos.)
no, i cannot fear the many
for they are like me.
they rose at seven too
they fought the traffic, the cafeteria lines.
they listened to the same lecture.
they found one bright, familiar note
in three hours of classes.
they saw speckled boredom in late afternoon.
they know night-long hours of study,
panicking yet serene.
they dash zig-zagging
to the meetings and meetings and meetings . . .
no, i cannot fear
the many.

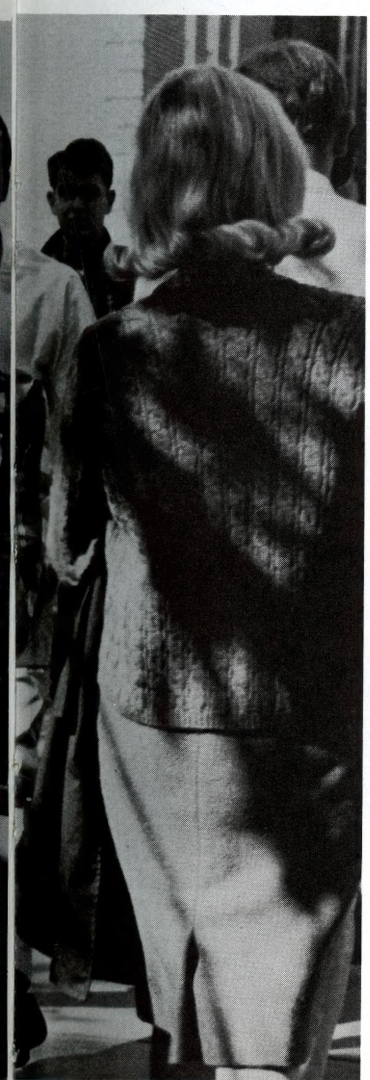

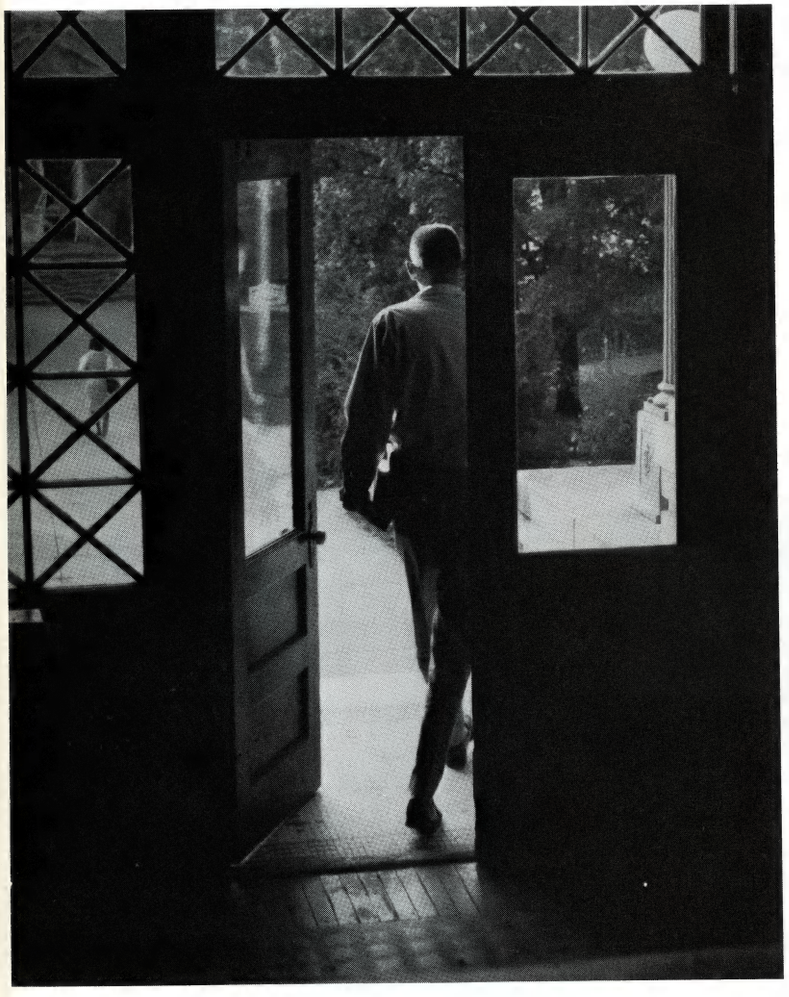

fearless to the point of victory
i stand alone
emitted from the purple corridor
of nameless faces
sunshine streaming upon me
i feel my uniqueness.
they are like me
but i alone
am me.
i alone
feel the apartness,
a comfortable distance
between.
i walk out from them
down steps
another sidewalk.
i pass them.
no, they are not me.
they are over there,
around
behind
beside
before
but not me.
from my vantage point
i group them
and there is sense.
i can think and feel
and place them.
and my uniqueness
is self-evident.
i know i am different
they are enmassed,
i am alone . . .
me.

east tennessee state university

During his term as president, Dr. Burgin E. Dossett has earned the respect and admiration of both students and faculty. Dr. Dossett has served as president since September, 1949, during which time he has worked and strived unceasingly to keep East Tennessee State University on a continuous and ever forward moving path. Great strides are constantly being made through the effort of this outstanding leader. Prior to taking the reins at State, Dr. Dossett served as Tennessee's Commissioner of Education, and in many capacities on the county, state, and federal levels, participating as member and officer on numerous state and regional boards and committees in the field of education. The university can be grateful and proud to have had such a man to look to for leadership and guidance during these past seventeen years.

President Dossett, Mrs. Dossett, and daughter, Ann.

Tennessee's First Family.

Frank G. Clement
governor
State of Tennessee

Frank Clement, a big young man with a vast vision, grasped the reins of state administration in the early 1950's and in his several subsequent terms as chief executive has transformed his state.

The touch of his guiding hand has been felt in every area of the state's life and has left indelible impressions and examples for successive administrations to follow.

When Frank Clement's star began to rise over the Tennessee horizon hosts of challenges faced him. Tennessee needed to quicken the pace of its development in order to move with the stream of modern life, with its stringent demands for greater efforts and commitments in all fields of public activity.

Frank Clement was not daunted by the formidable task in front of him and has been relentless in pursuing his quest for a greater Tennessee which will stand strongly in the company of foremost states in the nation.

With energy, insight, and courage, Frank Clement tackled the big job. His efforts were mighty and have prevailed. Frank Clement has been the moving spirit behind Tennessee's march toward front rank as a modern state.

Under his administration revenues have steadily risen and state services have been expanded so that there has been a phenomenal increase in the potentialities for public progress across all phases of the state's life.

Education especially has received a fresh impetus from the force of Frank Clement. At every level, spectacular advancement has been attained, with higher education having experienced extraordinary progress.

As billions of dollars have been expended, public schools at all levels have experienced tremendous growth and improvement, mental health programs and health institutions second to none have come into being, more and better highways have begun to link the state, parks and streams have been developed as rich recreational and cultural assets, and employment possibilities have been multiplied many fold as the state's economy has become stronger and the combination of renewed progress and fine natural resources have attracted more industry.

East Tennessee State University owes a special debt to Frank Clement for its position as the fastest growing university in the state. The generous support of his administrations enabled East Tennessee State to become an outstanding multi-purpose university and with his approval, the institution won university status in 1963.

Frank Clement, the big man, has done the big job. Those who have wanted excellence for their state and its programs will forever be indebted to him.

The College of Education functions to provide training and experience essential for the preparation of our elementary and secondary teachers. It also contributes to the instruction of non-teaching personnel in other fields.

Many services are offered to the students and the community by the College of Education. Among them are: testing services, counseling, audio-visual materials, and a film library.

Under the leadership of Dean Scott Honaker, the College of Education is an integral part of our university.

The College of Health, headed by Dean John P. Lamb, Jr., involves both an instructional program and a service program. The College's five departments, Department of Environmental Health, Department of Health Education, Department of Health Sciences, School of Nursing and Department of Special Education have two main purposes. First, to provide the student with an opportunity to obtain knowledge and to develop an attitude with which he may be able to enjoy a healthful and satisfying life and secondly, to provide the opportunity for professional training in many of the areas of health. This involves study in the fields of microbiology, anatomy, physiology, public health sanitation, speech and hearing therapy, medical technology, nursing, health education and the various areas of special education.

Dr. Sol Adler, Chairman

Miss Marie Hawkins, Chairman

Dr. Travis P. Kirkland
Dean, College of Business and Economics

The purpose of the College of Business and Economics is to provide a program of professional education at the college level to prepare young men and women to occupy positions of responsibility in business and government; to train teachers of economics and business for our public schools and colleges; and to prepare students for clerical and secretarial positions.

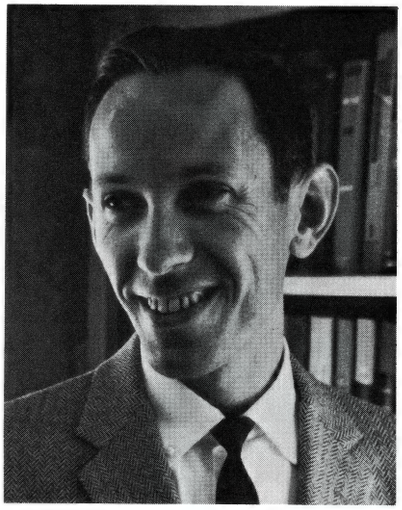

The College of Business Administration, through the Graduate School, offers a Master of Arts degree with a concentration in economics. The objective of this program is to prepare young men and women for positions in business, government, and teaching. Unlike the MBA degree, which cuts across the customary disciplinary boundaries, the MA degree concentrates in relatively narrow areas with considerable depth. The program is more concerned with analysis and interpretation of policy and data than the MBA program.

The 1965 ETSU football season was one of surprise, but the surprises seemed to be for the worse. The Buccaneers, heavily favored as contenders for the Ohio Valley Conference crown, just couldn't generate enough steam and posted a dismal 2—6—1 record.

In the season's opener, quarterback Larry Watson led the home team to a 27—21 victory over conference foe Murray State by scoring two TD's and passing to end Wayne Waff for another. David Holtsclaw also tallied with a 55-yard run.

The Buccaneers blew a 14-point lead to Western Kentucky and saw the Hilltoppers win on a two-point conversion, 15—14. Larry Watson tallied once for State and also threw a 12-yard scoring pass to Wayne Waff.

The Big Blue returned home and held nationally ranked Chattanooga to a 7—7 deadlock. Alex Williams's intercepted pass return set up quarterback Walter Wolfe's touchdown run.

Conference foe Tennessee Tech came to town and belted the Bucs. Quarterback Walter Wolfe scored both ETSU touchdowns on short runs.

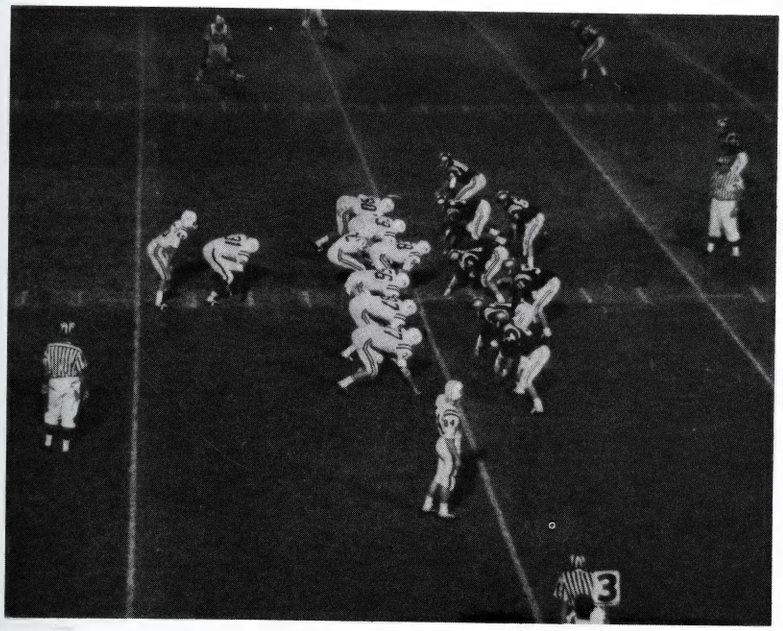

State's homecoming was marred as the Eastern Hilltoppers scored in every quarter to hand the Blue and Gold a stunning 23—0 setback.

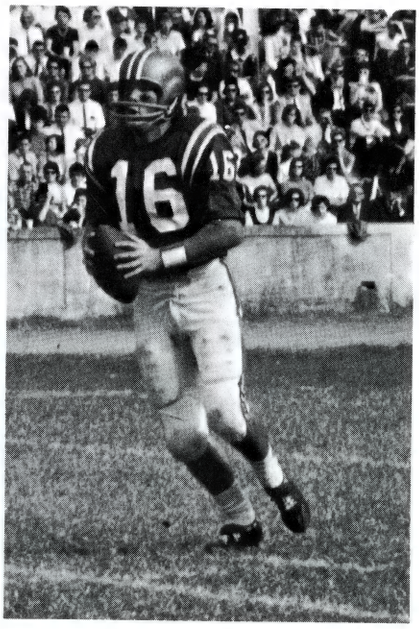

A visit to South Carolina saw the Bucs come alive as they belted highly ranked Wofford 20—6. Walter Wolfe scored on a plunge, freshman quarterback Bobby Meade threw 65 yards to Wayne Waff, and Ron Overbay returned a Terrier punt for a 70 yard TD.

The Buccaneers jumped to an early lead against Morehead State but couldn't hang on as the Eagles rallied for a 35—21 victory. Ron Overbay returned another punt for a 63-yard tally, and again Bobby Meade hit Wayne Waff for a 30-yard tally, and Bill Lloyd also scored on a plunge.

A 62-yard scoring pass from Walter Wolfe to Johnny Russaw was the only offensive fireworks State could muster and the Bucs were dropped by conference foe Austin Peay, 21—7.

To add to season's surprises, head coach Star Wood resigned his post in favor of a position in the English department.

The Bucs opened the season by trouncing a highly-favored Wofford five, 99—64. Co-captain Wayne Miller led the scoring with 22 points, Tommy Woods got 19 tallies and 22 rebounds, Charles Fox, Bill Tipton, and Leroy Fisher scored 17, 13, and 10 points respectively.

Bill Tipton collected 21 points to lead the visiting Blue in an 81—70 win over Chattanooga. Also in double figures were Fisher (17), and Woods (16), and W. Miller (10).

East Carolina caught the Brooksmen in a slump in the second half and went on to win, 85—79. Bill Tipton again led the scoring with 23 markers, followed by Fox with 18, Fisher with 14, Woods with 12 points and 16 rebounds, and Wayne Miller with 11 points.

The visiting Citadel Bulldogs were bombed, 102—75, as Tipton collected 34 markers, W. Miller had 21, and Wilson and Fisher got 14 each. Tom Woods also grabbed 20 rebounds.

Fisher, W. Miller, and Fox got 14, 13, and 11 points respectively, but the visiting Bucaneers fell to Georgia Southern, 82—67.

Tennessee Tech dropped the Blue and Gold, 90—78, in the OVC tournament in Louisville. Wayne Miller led the scoring with 18 points, followed by Tommy Woods with 15 tallies and 17 rebounds.

State avenged an earlier loss to East Carolina by topping the visitors, 94—82. Tom Woods collected 31 points and 21. rebounds, Fisher tallied 27, Wilson and Wayne Miller scored 16 and 11 points respectively.

The Bucs played hot and cold and couldn't quite keep up with Tennessee Tech in the OVC opener. Although the Bucs lost, 95—88, Tom Woods scored 32 points and grabbed 25 rebounds, Wilson also had 18, and Tipton had 15.

The Bucs traveled to Murray, Kentucky, where they came from behind to post a stunning 74—72 upset on the Racers. With ten minutes to go, the Brooksmen were behind by 15 points but came through with amazing shooting for the victory. Tipton led the State scoring with 23 points, Wayne Miller had 14, and Woods and Wilson had 12 apiece. Woods also speared 12 rebounds.

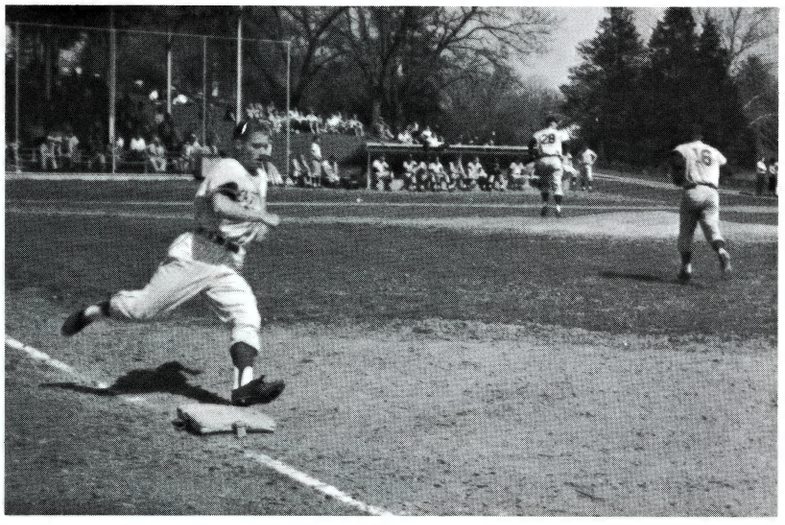

OVC leader Western Kentucky was too much for the visiting Bucs, as the Toppers ran to an 85—69 win and dropped the State record to 1—2 in Conference play. Tipton led the scoring with 23 tallies, followed closely with Woods' 21 points and 12 rebounds. Wayne Miller also added 10 points.

The Bucs evened their OVC record (2—2) with an 86—82 overtime triumph over Austin Peay. Leroy Fisher's clutch basket with little over a minute remaining broke an 80—80 tie, and the Bucs were on to victory. Bill Wilson had high point honors with 21, followed by Woods with 19, Wayne Miller with 16, and Tipton with 13 points. Woods speared 19 rebounds to lead in that department.

Middle Tennessee pulled a stunning 74—72 upset over the Bucs at home, but Tommy Woods had 19 points and 27 rebounds while Wayne Miller and Tipton had 10 markers apiece.

With a 78—63 loss to Morehead, the Bucs' hopes for any OVC glory dwindled to naught as their conference record now read 2—4. Tommy Woods, fifth leading rebounder in the nation, fouled out with 11:18 remaining, and the Bucs just couldn't keep the pace. Wilson led the Blue and Gold with 18 tallies and 13 rebounds, followed by Woods with 16 points and 10 rebounds, while Tipton added 12 markers.

men's intramurals

The men's intramural program at East Tennessee State University offers the student a chance to participate in organized sports that are not on the intercollegiate level. Realizing that the student must have an outlet for relaxation and competition, the program enables the Greek and Independent to participate in a wide variety of sports.

The Intramural Director, Bill Phillips, has recently renovated the program to include such sports as football, basketball, volleyball, bowling, ping-pong, badminton, tennis and track. Plans for next year include wrestling and soccer.

interfraternity council

The Panhellenic Council and the Interfraternity Council are the governing bodies of the seven national sororities, and the six national fraternities and two colonies recognized at East Tennessee State University.

In an effort to furnish the common room in the new Panhellenic Dormitory, the PANHELLENIC COUNCIL sponsored such money-making projects as a Carnival and a dance. In addition to these special projects, the Panhellenic Council participating in many service projects such as the Heart Fund.

Each year, the INTERFRATERNITY COUNCIL organizes the annual Greek Weekend held during the Spring Quarter. This year all the fraternities participated fully in a highly successful intramurals program.

The Alpha Delta Pi's began the 1965-66 school year as the largest sorority on campus. The fall pledge class joined the actives in capturing the first place trophy for the annual Pike's Peak competition.

For the second year, their service project was awarded a trophy from the Johnson City Recreation Board in appreciation for their labors.

Spring encompasses many more events for the Alpha Delta Pi sisters such as Dinner Dance, Guide for Brides, and Diamond Day. A special celebration for the Gamma Phi Chapter involves the bi-annual Tennessee State Day, which will be attended by the National Grand President, and Grand Vice-President.

The fragrant Jacqueminot Rose typifies the beauty of friendship and love among the members of Alpha Omicron Pi here at East Tennessee State University.

Well represented on campus, the Alpha Omicron Pi's mix fun and work. It is proud to have listed among its ranks Miss Pike's Peak for 1965-66, a Pike Calendar Girl, and a Homecoming Queen Candidate.

The sorority's National Philanthropic Project is the Frontier Nursing Service in Kentucky, while the local project is recording texts for the blind students here on campus.

The Initiation Dance, the Pledge Formal, the Mother-Daughter Banquet, and the Houseparty are merely a few of the sorority functions the members look forward to with great expectations each year.

The colors of pink and green, the Killarny Rose, the lamp with its diamond and four pearls, and the unbroken bond of sisterhood make a Delta Zeta "Adventure in Friendship". The Delta Zetas began a busy and rewarding year by capturing third place in the annual Pike's Peak Competition and the first place trophy for Homecoming Displays.

In community service, the sorority worked in the Speech and Hearing Clinic on campus giving a party for the children of the clinic at Christmas.

Delta Eta chapter was involved in social activities as well as services. The annual pledge formal, dinner dance and houseparty all helped strengthen the bond which the Delta Zeta sisters hold one for the other.

The pace of whirling activities begun by the Kappa Delta's during rush week did not slow down once, and the hours of work and pleasure, the seriousness, and gaiety have all paid off.

Pike's Peak is always exciting and the KD's were especially thrilled to rank second place this year. At the Panhellenic Carnival, the KD JAIL received the best decorated booth award. Many of the faculty members enjoyed chatting with the Gamma Delta hostesses at an Apple Polishing Party. A Kappa Delta coed won the title of Best Dressed in a campus wide contest sponsored by the Sigma Kappa's. After making a real Intramural effort, green and white were the flying colors for first place in sorority volleyball.

A Parent-Daughter Banquet, Barnwarming, and Dinner Dance are merely a few of the numerous activities planned yearly by the sisters.

The Kappa Kappa Chapter of Phi Mu was founded at E.T.S.U. on November 4, 1955, and since then has been the cause of many good times for the women of the pink carnation.

The fall brought many opportunities for the sisters to work together: Homecoming display, Pike's Peak activities, a tea in honor of the new Phi Mu pledges, and a Peanut Butter Party for the Panhellenic pledges.

The sisters spread Christmas spirit at the hospital by giving a Holiday Party and a Toy Cart. Phi Mu's national service project is the Ship S.S. Hope.

Among all the other campus activities, the members found time to organize a bake sale and a clothing drive. One of the highlights of each year is Phi Mu State Day at E.T.S.U. and Nashville.

kappa alpha order

Delta Chi's great enthusiasm is shown at Diamond Day.

Tradition and heritage play a vital part in the life of a KA. Dedicated to the ideals embodied in its spiritual founder, Robert E. Lee, the men of Delta Chi Alpha of Kappa Alpha Order pride themselves in their southern fraternity.

During the football season, KA's can always be seen waving the Confederate flag and firing their traditional cannon in acts of school spirit. In the fall intramurals they participated in football for the first time and placed six men on the I.F.C. All Star Team.

The Delta Chi's have entertained the Province Commander of Kappa Alpha, Dean Sidney Boutwell, Vanderbilt University. They also entertained the underprivileged children with a Christmas party. The "Old South Weekend" is the highlight of the Kappa Alpha social year.

This year was another big one for Iota Omicron Chapter of Lambda Chi Alpha.

Fall quarter designated the time for the annual Starlight Ball at which the new Crescent Girl, Nancy Griffith, was announced. The Lambda Chi Alpha All Sing, which promotes competition in the performance of musical selections, was one of the high points in Greek functions on campus.

The Lambda Chi's closed out the year with their customary Farewell Banquet, at which they honored outstanding brothers of the year.

Phi Sigma Kappa, one of the first fraternities on the East Tennessee State University campus, has again this year done much to fulfill its cardinal principles which are promoting brotherhood, stimulating scholarship, and developing character.

Zeta Tetarton Chapter has participated in many activities on campus and has excelled in leadership in school organizations. Phi Sigma Kappa won the IFC trophy for scholarship one quarter. In promoting brotherhood, the fraternity paid tribute to Brother A. K. Broyles, who was killed in Viet Nam this past year.

Phi Sigma Kappa seeks to build men who will be leaders, both during their college careers and afterwards in the business world.

Epsilon Zeta Chapter of Pi Kappa Alpha is among the top five Pi Kappa Alpha Chapters of the nation. This year has been no exception in maintaining the ideals set forth by the founding fathers.

The students, each fall, look forward to the competitive sorority events that take place in Pike's Peak. In intramurals this year, the Pikes won the bicycle race by two laps riding an American bike. A Pike brother walked off with the "Best Dressed" title given by the Sigma Kappa's campus-wide contest. The new calendar and the twelve calendar girls were presented at the beginning of the year at the annual Calendar Girl Ball.

The Pikes contribute a great deal to the community by lending a helping hand to the underprivileged children.

Highlighting the spring quarter is the dinner dance, during which the Pi Kappa Alpha Dream Girl is announced.

The Pi Kappa Phi's help with the Heart Fund.

The men of Beta Omega of Pi Kappa Phi strive to endow each of its initiates with the ideals of Christian Brotherhood.

The major event of Pi Kappa Phi is the Rose Ball. At this affair, the Rose Girl of Pi Kappa Phi is chosen. This year the Rose Girl is Barbara Barnes. The brothers collected money for the Heart Fund in the interests of others as a service project.

Other activities include annual parties on Valentine's Day and at graduation as well as numerous other social events.

Achievement of education is a prime goal and a spirit of brotherhood that is shared by the men within the fraternal aims of the Pi Kappa Phi.

Tennessee Alpha Chapter of Sigma Alpha Epsilon is a very active fraternity on campus. Homecoming display was a prize winning first placer for the "Flintstones." At the Panhellenic Carnival much attention was directed to the SAE's "Girlie Show", which also won a first place trophy. The fall pledges pushed a bathtub to Bristol for the March of Dimes—only one of their service projects. The Phi Aphas also support the United Fund and the Heart Fund.

Sigma Alpha Epsilon's activities include strong participation in the school's intramural program, and various formal and informal parties.

As a whole, Sigma Apha Epsilon provides a congenial environment of closely-knit men who personify the word "Brotherhood."

Sigma Chi Alpha was originally conceived in the minds of five East Tennessee State University students in the Fall Quarter of 1964. After much hard work and many good times, the men of Sigma Chi Alpha drew up a constitution and became a local fraternity when it was recognized by East Tennessee State University. It was granted a charter in the Spring Quarter of 1965.

Sigma Chi Alpha's constitution consisted of the goals and standards that must be met by its fraternity brothers as well as the laws and by-laws which govern her as a unified body. The main objective was also established which was to establish a chapter of Sigma Chi National Fraternity on the East Tennessee State University campus. All of Sigma Chi Alpha's hard work has been aimed toward this high goal and she has aspirations of achieving it in the near future.

Thus far, Sigma Chi Alpha has participated in many school functions and has established herself as a prominent social fraternity. She has increased her brotherhood by six-fold, and has demanded high respect and great admiration on campus. Although Sigma Chi Alpha is as yet a small fraternity, she has come far, and great possibilities are foreseen in the future.

The first national fraternity and now the largest, the Tennessee Gamma Chapter of Sigma Phi Epsilon continues its tradition of contribution and activity.

Sigma Phi Epsilon tackled the new school year by winning the IFC Football Intramurals. The fraternity actively competes in all other campus events. Community service projects include "Manning the Dime Board" and giving a party for the underprivileged children. Annual social events are the Sweetheart Ball, Diamond Princess Dance, Founder's Day Banquet, and the Spring Formal.

Alpha Lambda Delta Initiation.

Kappa Lambda, Alpha Lambda Delta, and Scribes are the three honorary societies recognized on campus.

Students who maintained a 3.5 quality point average for one hundred hours are eligible for membership in KAPPA LAMBDA. Each year they sponsor a lecture series. This year Sivert A. Nielsen, Dr. Walter Judd, Hans Mongenthau, and Harry Reasoner were the featured speakers.

ALPHA LAMBDA DELTA is the new national honorary society for freshmen women maintaining a 3.5 quality point average for their first two quarters. Each of the members goes through a pledge ceremony and an inspiring initiation ceremony.

...wanted in ...nd repeat

When your future's on the line, use your pen to better advantage than for circling through the classified sections.

Drop us a note instead and tell us why you think you would like to work for a $160,000,000 fiber and textile company that has grown 11% in the past year. And has plans to do a lot more growing with guys like you in key positions. In research. In engineering. In design. In merchandising. In sales. In areas both challenging and rewarding.

So if you want to leave your mark on the textiles/fibers world, write us first. It's a lot better way to do it than leaving your mark on the help wanted ads.

"Pikes win again—by a mile."

editor's note

It hardly seems possible that the **Buccaneer** is completed. The plans, hopes and hard work of the year have materialized. In the process of production, plans were changed, hopes shattered—only the work remained constant. If all else was going wrong (as it frequently did) there was always work. This is not to say that we didn't enjoy slaving over a deadline on New Year's Eve as Guy Lombardo played Auld Lang Syne softly in the background. But now that it is done, maybe we can say that it was worth it.

You may be somewhat alarmed at the lack of copy in the book this year, (that is unless you ever dropped by the office in which case you may be amazed that we even got the pictures in). It's just that when you get involved in a big game of eraser you seem to forget all else. Thank goodness Marilyn had the sense to stay away. It seemed that her sister, Lucie-Jean, was endowed with the same good sense, as she stole away with pen and ink to produce our division page drawings.

The office offered something for everyone on the staff. If you weren't an avid eraser fan, you could always listen to Hamilton's tales of love and true adventure. Of course, Bill's **Playboy Magazines** were always high on the list of **Buccaneer** entertainment. But the office favorite was the mistletoe, especially when Gary was around. Even we soon tired of such diversions, and it wasn't infrequently that one could hear Mary Jane sigh, "Well, back to the **Buccaneer.**"

It seems that even though the office was quite alive, there were those persons, namely Tom Daniels, Louie Kinch and Harold Durham (photographers) who dreaded to come near the place. But once met with the demands of the editor, they had nothing to do but grin and bear it—(mostly bear it). Without them we could not have had a yearbook at all. Special thanks are given to Mr. David McClellan, the Public Information Office, and to the University Center Staff, who helped us greatly and who put up with much—and of course to Don Carter who is known around the office as a strictly "1-A" (or is it "A-1"?) advisor.

We made several changes in this year's edition in an attempt to modernize the **Buccaneer.** We tried to concentrate on the people—those varied personalities which make up the University—each student in his private little world, each different, yet each one a part of the same world. We tried to capture the feeling of the student and the campus on which he lives, studies, and interacts. Whether we accomplished this lies in your personal evaluation. All we can say is, "We tried."

Linda
